»» Why You Should Exhibit

Strict protection of intellectual property rights	Platform for leading textile machinery manufacturers to showcase their latest technologies	
Live machinery demonstrations	Exhibits clustered by product sectors	
Networking opportunities for domestic and international professionals		

»» Hear from Our Visitors

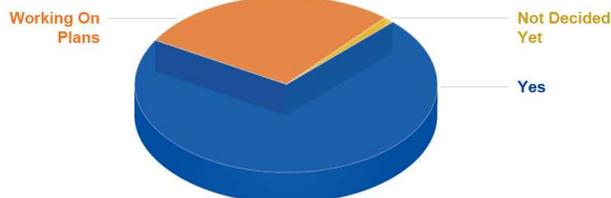

Jiangsu Sunshine Group Co., Ltd.

Company representatives had face-to-face discussions with industry experts to explore issues in stenter machines, as well as wastewater treatment concerns. This exhibition attracted many leading industry companies from both domestic and international markets. It is evident that the quality of domestic textile machinery is improving year by year, with the gap between domestic and foreign equipment becoming increasingly smaller.

Belgian Buyer

This is my second visit to ITMA ASIA + CITME, and my main objective is to learn about new technologies in fibre recycling equipment. The exhibition always brings surprises, and each time I attend, I can see the advancements in the industry. I look forward to seeing more innovative technologies at the next exhibition.

Intention to Visit ITMA ASIA + CITME 2026

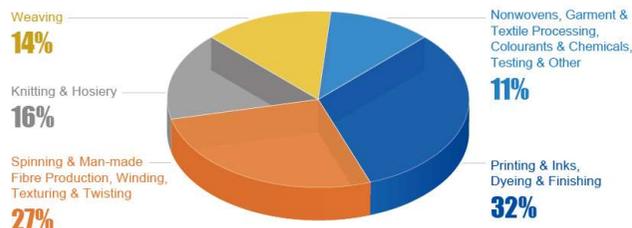

»» ITMA ASIA + CITME 2024 Review

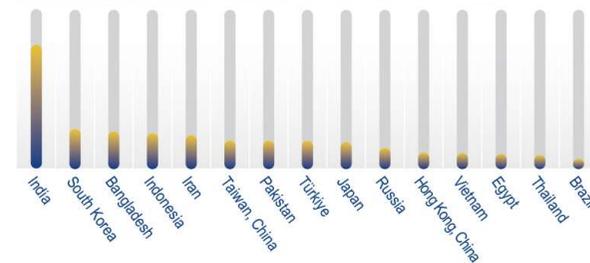

ITMA ASIA + CITME 2024 was successfully held from 14 to 18 October in Shanghai, spanning 160,000 square metres across six halls, with over 1,700 leading textile machinery manufacturers from 22 countries and regions. Exhibitors from Chinese Mainland occupied the largest exhibition space, followed by Germany; Japan; Italy; Taiwan, China; and Belgium. The exhibition attracted about 90,000 visitorship from 111 countries and regions.

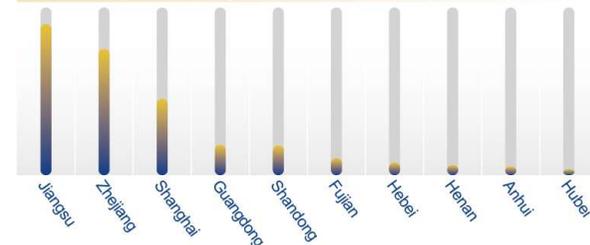

Exhibition Space by Sector

Visitorship from Top 15 Countries/Regions (Excluding Chinese Mainland)

Visitorship from Top 10 Chinese Mainland Provinces

»» Essential Information

ITMA ASIA + CITME 2026 will be held at the China National Exhibition and Convention Centre (Shanghai). The venue is adjacent to the Hongqiao Transportation Hub, which is interconnected with Hongqiao Airport and Hongqiao Railway Station by metro.
