## WEAVING THE FABRIC OF GROWTH

India's economic health is growing stronger and well poised to leapfrog to a \$ 5 trillion economy by 2025. "Make in India" initiative has gained remarkable momentum leading to significant investment in capacity building and achieving economy of scale. For textile sector, the Government has adopted the 5F Mantra of "Farm to Fibre to Fabric to Fashion to Foreign" and introduced policies and incentives for sustainable growth of the industry.

### INDIAN MARKET FOR TEXTILE MACHINERY

USD **1.8**  
Billion/Yr

### TEXTILE & APPAREL EXPORT

USD **35**  
Billion/Yr

### DOMESTIC TEXTILE MARKET

USD **111**  
Billion/Yr

#### SEE

latest textile machinery & technology & experience it firsthand

#### MEET

technical experts from leading textile machinery & technology suppliers

#### LEARN

the trends, developments and opportunities in textile sectors

#### DO BUSINESS

with leading supplier partners from across the world

## PRODUCT CATEGORIES

### MACHINERY

- Yarn Spinning, Man-made fibre Spinning, Winding, Texturising, Twisting and Accessories
- Web Formation, Bonding, Finishing of Non-wovens, Felting and Accessories
- Preparatory Weaving, Weaving, Tufting and Accessories
- Knitting, Hosiery and Accessories
- Embroidery, Braiding and Accessories
- Washing, Bleaching, Dyeing, Finishing, Cutting, Folding and Accessories
- Machinery for Printing, Digital Printing, Consumables and Accessories
- Garmenting, Garment Processing & Finishing and Accessories

Laboratory Testing, Measuring and Quality Control Equipment and Accessories

Transport, Material Handling, Logistics, Warehousing, Packing Equipment and Accessories

Equipment for Recycling, Waste Reduction and Pollution prevention and Accessories

Software for Design, Data Monitoring, Management, Processing and Integrated production

Dyes, Pigments, Inks, Colourants and Chemical Auxiliaries for textiles

Services for the textile industry and Associated Equipment for textile plant operations

Research and educational institutions, Technical Information

## ITMACH India Milestones

Approx. 38000 satisfied Business Visitors from India and neighbouring countries

Catered over 350+ Exhibitors including leading global Textile Machinery companies

Completed 3 successful shows

Grown to 30,000 Sqm exhibition and among India's Top 2 textile technology exhibitions

Consistently serving one of the largest market for textile machinery and technology

## SOME OF OUR PAST PARTICIPANTS

## AN IDEAL LOCATION FOR A PROFILIC EVENT

India, being strategically located between South East Asia and Middle East, is one of the largest player in textile & apparel manufacturing and trade. It is also the destination for future growth and investment in textile & apparel industry. Within India, Gujarat is the epitome of success when it comes to economic development and industrialisation. The growth and development of its textile sector is even more deep rooted. Ahmedabad, which was known as the 'Manchester of the East' in the past for its booming textile industry, is today a well-developed business hub & financial centre. Thus, **ITMACH India 2024 will be held in capital city of Gandhinagar at The Helipad Exhibition Centre, Helipad Ground, Sector-17, from 21 to 24 February 2024.**

The Helipad Exhibition Centre is so far the largest venue in India and holds the pride of hosting most reputed and largest trade shows of the country. The venue has been designed with advanced technology and amenities to facilitate business meets, convention, conferences & exhibitions of both national and international levels.

Exhibit removal	24th February 2024 from 19:00 Hrs till 12:00 Hrs, 25th February 2024

## BEYOND EXHIBITIONS **CREATING BUSINESS PLATFORMS**

Founded in 1997 with humble means and great ambitions, K AND D COMMUNICATION LIMITED (KDCL) is today proud to provide turnkey solutions for events. A pioneer in the event management industry in India, over a span of last 25 years, KDCL has organized 75+ national and international exhibitions all across India in different industrial segments. KDCL is most renowned for ENGIMACH - one of India's most successful international exhibitions in the engineering machinery sector for the last 25 years.

While all patrons are highly valued, KDCL particularly prizes the trust of companies launching new ideas, products, and services. These companies rely on KDCL exhibitions for the successful introduction of their innovations. Over the last 25 years, many such pioneering companies have grown together with KDCL.

To fill the void that existed in Gujarat, of a world-class infrastructure for exhibitions, KDCL developed the Helipad Exhibition Centre (HEC) in Gandhinagar, the capital of Gujarat. HEC is the largest exhibition centre in Gujarat.

KDCL is now focused on making the most of the next 25 years, as it marches, along with the rest of India, towards 2047 when India will celebrate the centenary of its Independence and KDCL will celebrate the completion of 50 eventful years! In tandem with the growing International stature of India, KDCL also aims to grow to become a reputed international organizer of events across the world.
